Just use the NoHo multiplier for the \$10 rather than the Fig multiplier.

Looked through contract, but didn't see a thing.

Let's do what we do at Fig and use \$10 pay rate for training.

Hello Aaron,

I am writing to inform you that in alignment with this email request, we have modified rates for NoHo Bike officers and Alex Palacios effective 1/1/2016. Please clarify if the training pay at NoHo should be the lowest bill/pay on the previous scale which was \$10.50/\$ [REDACTED]

Thank you,

Hi Brian,

Wanted to give you a heads up on some Fig and NoHo pay rate changes approved in the budgets that will begin in 2016.

For Fig- Alex is receiving a \$1 pay raise to \$26.75 pay/\$[redacted] bill beginning Jan. 1, 2016.

I asked about this last year (didn't implement) and you provided me with a bill rate of \$[redacted] which added on the [redacted] increase for tools.

Fig also approved pay increases for all other steps, but not until July 2016.

For NoHo- all ambassador bike patrol steps go up .50 cents to help keep up with the min wage increases.

Using the existing bill rates that correspond to our pay rates, here's what I have as the new steps/pay/bill rates.

Start- \$11/\$[redacted]
 90 Days \$11.50/[redacted]
 1 Year- \$11.75/[redacted]
 2 Year- \$12.25/[redacted]
 3 Year- \$12.75/[redacted]

These increases will apply to all bike patrol current and new beginning Jan. 1, 2016.

Thanks,
 Aaron
